To Whom It May Concern:

I have known Angelica Monclova personally for 9 years and professionally, as she's worked for the Midland Independent School District as a substitute teacher, for 3 months. Ms. Monclova's personality and attention to detail would be a great asset to any teaching position, and after reviewing the feedback she received from teachers she substituted for, her work has been rated as exemplary. Ms. Monclova's commitment to a long term substitute teacher assignment has exhibited ambition toward fulfilling a full time teaching position. The time and effort that Angelica has invested in the district as a substitute teacher has been greatly appreciated.

If you have any questions or concerns regarding Ms. Monclova's employment with Midland ISD, please feel free to contact me at kimberly.brown@midlandisd.net or at 432-240-1804.

Kim Brown
Substitute Management Clerk
