To whom it may concern:

I am writing this letter of recommendation to brag on how wonderful a teacher Angelica Monclova was at San Jacinto JHS. Ms. Monclova gave 110% to every one of her students as a substitute. She substituted for one of our 7th grade Science classes for two weeks. During this time as a substitute and first year teacher she came in and gained excellent control of the classroom. She took it upon herself to take home the lessons planned and build upon them to make them better for the students she was teaching. Ms. Monclova is a Fine Arts/Music teacher and she had the ability to teach superbly in a Science classroom.

Ms. Monclova taught more than just Science, she taught the kids how to respect others and themselves. She taught them how to work hard, accept others and live a life they could be proud of. Ms. Monclova was dependable and reliable as a teacher. When we have an opening at our school for a Band Instructor, I will definitely be giving Ms. Monclova an interview. She will be an asset to any job.

Sincerely,

Deborah Kendrick
